

REBUILD DOWNTOWN

better than ever

RebuildDowntownCR.org

A city's heart is its
downtown,
its soul the
neighborhoods,
its spirit the
people.

A Downtown Declaration

The flood of 2008 shook our city to the very core, yet our message of resilience lives on. The Cedar Rapids Downtown District is dedicated to the revitalization of our community-east and west, better than ever.

We are proud to stand with these businesses that, like us, wish to rebuild and reinvest in what will be a vibrant downtown Cedar Rapids:
