Savannah Downtown Business Association
P.O. Box 9221
Savannah, GA 31412

*Downtown Savannah
Service That Always Rocks!*

Help us exceed your expectations—

Savannah's Landmark Historic District is known for its beauty... it is perhaps America's Most Beautiful City. There's a magic about this place that runs deeper than the roots of our live oaks, and surrounds our unique squares. It's the magic of our people who are the essence of our reputation for priceless Southern hospitality.

The Savannah Downtown Business Association understands the importance of each and every person who works in the Historic District. It's the shop keeper, the server in the restaurant, the desk clerk at the hotel and the taxi driver who give our city its character. And it's a courteous police officer, bank teller or tour guide who goes out of his way to assist you that makes your experience in our downtown a magical one.

Whether you are a visitor or local resident, the DBA is asking for your assistance in recognizing one of these fine faces of Savannah. Give him or her a STAR (Service That Always Rocks) button and return the card with the person's name and business and any remarks you may have.

Thank you

The members of the Savannah Downtown Business Association
