

MY WEEK in DOWNTOWN

John Bragg
Chef/Owner,
Circa by John Bragg

Thursday: Stopped in **Shelton Clothiers** to have my new suit fitted and talked to Tom about his new women's shop opening next door to **Circa!** Really looking forward to our new neighbor.

Friday: Lunch at **Majestic Grill**...got to get my chowdah on, maybe fish and chips too. Meeting at the restaurant about our sponsorship of **Memphis in May Festival**. Then stopped by **Blue Fin** to borrow some wasabi - thanks Chef Nick!

Saturday: Walked over to **Gibson Guitars** to get some new guitar strings (and look at all the cool stuff), then went to the restaurant to get ready for a busy night.

Sunday: Got Cyndi Lauper's autograph after she had dinner at **Circa** - so cool. Then stepped into **Local Gastropub** after work for some wings.

Monday: Lunch meeting with accountant over lunch at **Wang's**, followed by some real business at **Silly Goose** with the "Ques Brothers" to make plans for **BBQ Fest**.

Tuesday: Stopped into **Art Under a Hot Tin Roof** to find jewelry for my wife's birthday. Took my son William and his friends David and Birch to **Kooky Canuck** before the **Grizzlies** game - failed on the Yeti Sundae.

Wednesday: Walked to **Winfield's** to see what kind of cool shoes he has for spring. Stopped in to talk about upcoming shows at the **Center for Southern Folklore**. Took off early to walk the neighborhood before heading to **Bardog Tavern** for some sliders and poker night.
